ITINERARY

Day 2 - Tues., Dec. 29, 2015. All tour members arrive in Addis Ababa, the capital of Ethiopia. In the afternoon, we will take the city tour of Addis Ababa and travel to Mt. Entoto. Mount Entoto is the best location to see a panoramic view of Addis Ababa. It attracted Emperor Menelik II to build his capital until he was convinced by his wife, Empress Taitu to move the city to the valley below, where it is now located. On the top of the hill stands St. Mary’s Church, built in 1885. We will also drive through the Mercato, the largest open air market in Africa. Evening Multimedia Lecture, orientation session and group introductions.

Day 3 - Wed., Dec. 30, 2015. After breakfast, we will take a morning flight to Axum. There, we will visit Ethiopia’s most ancient city, part of one of the most glorious empires of the past. Our travel will take us to the tallest standing tekenu (obelisk) hewn from a single piece of granite. We will explore the magnificent tombs of the ancient Axumite kings, hewn from granite stone, the ancient palace of Queen Makeda (Queen of Sheba). Another stop will be the 16th century cathedral of Mariam Sion (St. Mariam of Zion) which houses the Ark of the Covenant, taken from Israel and brought to Ethiopia by Menelik I. The Adwa hills, where the Ethiopian army defeated the Italians and repelled their invasion in 1896 will be one of our most impressive sights. Tour participants will learn about the defeat of a European army by an African army that sent shockwaves throughout Europe and instilled a sense of pride and inspiration among Africans around the world. Evening multimedia lecture B/D.

Day 4 - Thurs., Dec. 31, 2015. After breakfast, tour members will transfer to the airport for a flight to Lalibela. After checking into the hotel, our group will visit the “Wonder of the World,” one of the most incredible man-made creations, the site of the eleven rock-hewn monolithic churches built by the Ethiopian King Lalibela in the late 12th or early 13th century. Each church is superbly carved with a unique architectural style. We will view 800 year old African Ethiopian Holy Books, predating the King James’ version of the Bible. B/D.

Day 5 - Fri., Jan. 1, 2016. We will continue visiting the churches at Lalibela B/D.

Day 6 - Sat., Jan. 2, 2016. After breakfast, the group will take a flight from Lalibela for Gondar, the 17th century capital of Ethiopia. After checking into the hotel, our group will visit the African Agaw, Beta Israel (Falasha) village of the people who are direct descendants of the ancient Hebrews, Solomon and Queen Makeda (Queen of Sheba). We will also tour the unique imperial compound of medieval castles, the earliest of which belonged to King Fasiladas. Additionally, we will visit the bathing palace of King Fasiladas, used for the annual Timket or Epiphany celebration. We will get an eye-witness account of the rich decorations and murals of Ethiopian religious icons at the Church of Debre Berhan Selassie, built when Africans created religious figures in their own image. B/D.

Day 7 - Sun., Jan. 3, 2016. Tour members will travel to the Beta Israel (Falasha) village after breakfast. We will then go to the airport for a flight back to Addis Ababa. On arrival, we will check into our hotel. Groups members will have time for shopping in the afternoon. B/D.

Day 8 - Mon., Jan. 4, 2016. Tour members will explore the National Museum which houses the remains of Dinknesh (Lucy), dating 3.5 million years. We will also witness the Mercato, the largest open market on the continent. The group will also visit the Ethnological Museum of the Institute of Ethiopian Studies, located at Addis Ababa University (the former palace of Emperor Haile Selassie). We will then see Trinity Cathedral, the largest in Addis Ababa. This church, built in 1941 is the final resting place of Emperor Haile Selassie and his wife, Empress Menen. Evening Multimedia Lecture B/D.
Day 9 - Tues. Jan. 5, 2016. Our travel will take us on a drive to Melka Kunture, about 31 miles south of Addis Ababa, in the upper Awash valley. There, we will visit the Tukul Museum that shows the most important East African prehistoric sites, geological aspects of Melka Kunture, a history of human evolution, and the archaeological, paleontological and palaeoanthropological records from Melka Kunture. The site also includes the Open Air Museum that shows both archaeological and environmental features of the site. We will next drive to the UNESCO World Heritage Tiya Archaeological Site. It has 36 standing monuments, including 32 stelae with symbols of ancient Ethiopia culture. B/D

Day 10 - Wed. Jan. 6, 2016. Group members will take a drive to Bishoftu, southeast of Addis Ababa. It was formerly known as Debre Zeit (Mount of Olives). There, we will view the scenic Crater Lakes. Traditional dinner & folkloric entertainment. B/D

Day 11 - Thurs. Jan. 7, 2016. Tour members will have free time for leisure or shopping before their flights. Departure from Ethiopia. B
